Here's What our Parents have to say about Incarnation School:

- *Incarnation is more than a school, it's a family!*
- *The faculty and staff devote themselves to serving each individual student, finding their strengths, and developing them to reach their potential.*
- *The teachers are kind and understanding.*
- *I completely trust the faculty and staff to care for my children when I am at work.*
- *The quality of education appears to be superb compared to our public district.*
- *Incarnation provides children an opportunity to find their own voice and encourages them to use that voice.*
- *There are a variety of class offerings that ignite my children's creativity.*
- *Incarnation provides students with a wonderful foundation for what it means to be a good Catholic and follow in the footsteps of Jesus.*
- *My children love it!*

Here's What our Students have to say about Incarnation School:

- *I have nice teachers and lots of friends.*
- *I like learning about Jesus and receiving Communion during the week.*
- *Everyone is very friendly and caring.*
- *We go on awesome field trips!*
- *Our school is amazing at everything.*
- *A lot of nice kids go here and we get rest time.*
- *The best part is the teachers. They are lots of fun!*
- *I am always learning something new no matter what the subject.*
- *I like being able to pray during the day.*

Where Faith and Knowledge Meet

Incarnation Catholic School

Preparing Students for the 21st Century

21st CENTURY LEARNING

The integration of technology coupled with a challenging curriculum fosters 21st Century learning skills. Our students develop initiative, creativity, divergent thinking & problem solving techniques along with oral and written communication, data analysis and collaborative skills—all the essential learning and knowledge needed to compete in a global economy.

CURRICULUM

Our curriculum is challenging and aligned with both the IL Learning Standards and the new Common Core State Standards. We have recently instituted the 6+1 Writing Traits in grades K-8. Learning at all levels is hands on and relevant. Our teachers continue to perfect their craft through professional growth activities throughout the school year.

Service learning and social justice is also emphasized. Our students participate in many service projects including: an annual paper drive, partnering with the Ronald McDonald House, various collections for the Holy Childhood Mission Fund, Share Your Soles, and more! Incarnation School has been the leading Holy Childhood Association contributor for the last 4 years!

Our Student Council accepts 1st Place Plaque from the HCA Director.

TECHNOLOGY

All of our classrooms are equipped with interactive white boards. We also have a state of the art Technology Lab and wireless Internet accessibility. Students learn many valuable 21st century skills interacting with technology.

AWARD WINNING RESOURCE LAB

Our Inclusive Education Department, working with our Language & Math Learning Lab, provides assistance to ensure that all students have a successful and positive experience. Our Lab recently received, for the 3rd year in a row, an **Exemplary Award**—only 10% of labs nationwide receive this award! We also provide small group instruction to help all students be successful learners.

Students work in our Resource Lab to reinforce basic language and math skills.

CATHOLIC VALUES

Catholic values are taught and the daily examples of our faculty and staff provide powerful models for Christian living. Our students pray daily, attend weekly Mass, complete a variety of service projects, and develop both values and character by having a personal relationship with God.

Students prepare and participate in our all school liturgies.

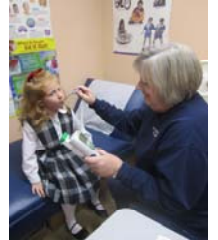

Our dedicated and caring faculty members provide students with opportunities for personal and spiritual growth.

SPECIAL SERVICES

We offer instruction in **Art, Library, Music, Physical Education, Spanish & Technology** taught by experts in their field. We provide before/after school care for working parents from 7:00 am—6:00 pm. A **Registered Nurse** is on staff every day. Our Athletic Association, in conjunction with Incarnation Parish, offers a variety of team sports.

Our school nurse gives our working parents the confidence that their children will be well cared for during the school day.

PRESCHOOL

Learning is hands on and fun!

Preschool is offered for children 3 & 4 years of age. Our 4 yr. old program has a three or five day option & our 3 yr. old program is two days per week. You may choose either full or half-day. Early literacy skills and math concepts are an important part of each day. Preschool students receive both academics and child care in a gentle and nurturing environment.

AFFORDABLE TUITION

Incarnation is committed to keeping tuition affordable without sacrificing programs or academic excellence. Our school is financially supported by Incarnation Parish. We have a stable enrollment and a sound financial plan which ensures our long-term success. If you are interested in becoming part of the Incarnation Family, please contact us at **(708) 385—6250** and set up an appointment for a tour of the school. We are confident that the qualities you see demonstrated will make a lasting impression on you and your child!
