

June 2011

Dear Parents,

Summer is here! The 2010 -2011 school year has come to an end. We added many new books to the library this year along with gently used books donated by school families and the Crestwood Library. The book fair was a great success; we were able to purchase many books to improve our library.

Already looking at next year we're looking into purchasing more Accelerated Reader Quizzes along with more great books. Look for the book fair to return around parent/teacher conference time.

During the summer I encourage you to go to your public libraries and join their summer reading programs. These programs are great and encourage the enjoyment of reading. Summer reading is a time when children can focus on the fun of reading by finding what interests them. Visit your local library and let the celebration of summer reading begin!

Have a great summer, Mrs. Quick
