## Reading/Language Arts

\*This week we are working with the short u sound as in umbrella.

All the vowels have been introduced. I love this time of the year.

It's so exciting to listen to the children begin to read sentences.

Congratulations to the two students who have completed their 50 word lists and have moved on to books. Our class cheers each other on as each child reaches a new level.

\*The Kindergarteners worked hard to write a sentence using describing words.

## Math

It's time to pull out the change box and have your child practice identifying coins and their value. This week pennies, nickels, and dimes were introduced. We're counting mixed coins to 50 cents. Hard work and lots of practice for the Kindergarteners!
