

Junior High Math

January 2012

- 5th Math: We are currently working on chapter six. We will be working on Adding, Subtracting, Multiplying and Dividing Fractions this month. If time permits, we will start our introduction into Geometry before the end of the month.
- 6th Math: We will be working on Chapters Six and Seven: Adding, Subtracting Multiplying and Dividing Fractions. We will also begin basic Geometry towards the end of the month.
- 7th Math: We will be working in Chapter Six and Multiplying and Dividing Fractions. Also, we will start to work on Geometric Shapes and Measurements later in the month.
- 8th Math: Power Point projects are due on Friday, January 13th. We will also be working on Chapter Thirteen this month. Topics to be covered include: Pythagorean Theorem, Square Roots, Radical Expressions, Simplifying Radical Expressions and Radical Equations.
- There will be no tutoring this week. Tutoring will resume on Thursday, January 12th. Peer tutoring is offered every Thursday morning at 7:30 and Wednesdays we do not have a late start. No appointment necessary.
- New.schoolnotes.com is updated daily with homework assignments and upcoming test information when applicable. If you ever have any questions about how your child is doing, please feel free to email me at cconnelly@incarnationcatholic.com.
