8th GRADE CONFIRMATION MEETING—TONIGHT AT 7:00 PM

All 8th Grade candidates and their parents are **required** to attend a special mandatory meeting this evening in the Bernardin Center at 7:00 pm. Sponsors are welcome, but not required. This very important meeting will be the beginning of formal preparation for the reception of the Sacrament of Confirmation in February. Contact Kathy McNicholas in the Religious Education office if you have any questions at 708-388-4004.

SANTA'S SECRET WORKSHOP: The Parents' Club will again be sponsoring Santa's Secret Workshop. Children can purchase inexpensive gifts for their friends and relatives beginning **Wednesday, December 7—9th**. Please make sure that any money sent is placed in an envelope or plastic Ziploc bag and marked accordingly. It is also advisable with the little ones to send in a list of names you wish your child to purchase for. That way, the "elves" can help them pick out something appropriate and the children won't be tempted to spend all the money on themselves!

SEVERE WINTER WEATHER

 Please make sure your children are dressed for the weather and come to school with coats, hats and gloves. All children will be outside in the morning and at recess unless the combined temperature and wind chill are below 20 degrees.

Regarding school closings, we will make every effort to remain open to accommodate working parents. Most likely if there is a snow storm overnight, a late start will be called. We will communicate a closing or late start in the following ways:

Emergency Closing Center—Go to www.emergencyclosings.com and/or check the local news or radio.

 **Nixle**—A text message and/or email will be sent if you have registered for this service.

Please note that the Parents' Club calling tree is no longer in use.
