What's New

It's hard to believe that our year is coming to an end. Tuesday, May 31st will be the last day for Three year old Pre-K. It has been a fabulous year!

The children have grown so much this year. They have become very independent throughout the year. I am so proud of all of their hard work. I consider myself privileged to have been your child's first teacher. Thank you. I look forward to seeing all of you again in August!

Letter of the Week

We have finished all the letters of the alphabet. We continue to practice recognizing all the letters. Next year the children will learn both upper and lowercase letters. We will spend more time on the letter sounds and formation of letters.

I hope you have a wonderful summer!
